Title II Formula Grants Program (JJAC)

Program Information:

The federal Title II Formula Grants Program is authorized under Sections 221–223 of the Juvenile Justice and Delinquency Prevention Act (JJDP Act) of 1974, as amended in 2002. The Office of Juvenile Justice and Delinquency Prevention (OJJDP) has been delegated the authority to administer the Title II Formula Grants Program at the federal level. In Maryland, GOCCP administers the funding and is supported by the Juvenile Grant Planning and Review Council (or “Juvenile Council”), Maryland’s State Advisory Group.

Juvenile Justice and Delinquency Prevention Act (JJDP)

The goals of the JJDP are to help state and local governments prevent and control juvenile delinquency, to improve the juvenile justice system and to protect juveniles in the juvenile justice system from inappropriate placements and from physical and psychological harm.

Each participating state must develop and implement a strategy for achieving and maintaining compliance with the four core protections of the JJDP as part of its 3-Year Title II Formula Grants State Plan. Failure to achieve or maintain compliance results in financial penalties to the state.

Priority Areas for Funding (see highlighted box to the right)

The intent of the funding is to support the establishment, enhancement, and/or improvement of:

- Aftercare/Reentry: Programs to prepare targeted youth offenders to successfully return to their communities after serving a period of secure confinement.
- Alternatives to Detention: Alternative services provided to youth offenders in the community as an alternative to secure confinement.
- Diversion: Programs to divert youth from entering the juvenile justice system. This would include proposals to address Disproportionate Minority Contact (DMC) in the juvenile justice system.
- Probation: Programs to permit youth offenders to remain in their communities under conditions that the juvenile court and DJS prescribes. This would include a graduated response approach to reduce secure detention as a result of certain probation infractions.

Eligibility:

- State and local units of government
- Non-profit organizations
- Faith-based organizations

Match: 10% non-federal cash match

Priority Areas for Funding:

Funds support reform in Maryland’s juvenile justice system and focus on initiatives and strategies that support the hallmarks of the Developmental Approach to Juvenile Justice Reform, which are:

- Accountability Without Criminalization;
- Alternatives to Justice System Involvement;
- Individualized Response Based on Assessment of Needs and Risks;
- Confinement Only When Necessary for Public Safety;
- A Genuine Commitment to Fairness;
- Sensitivity to Disparate Treatment, and;
- Family Engagement.

State Advisory Group (Maryland's Juvenile Council)

State Advisory Groups (SAG's) are called on to serve as the voice of juvenile justice in their States and Territories. The Governor appoints Maryland's Juvenile Council (SAG) members. Strong and knowledgeable SAG's can be a catalyst for change and a great benefit to a State's youth. Juvenile Council members:

- Participate in the development of the three year plan;
- Advise the Governor and Legislature annually on compliance with the Juvenile Justice and Delinquency Prevention Act;
- Obtain input from juveniles in the system through different outreach methods (i.e. focus groups, surveys, tours, etc.) ; and,
